

How to connect from home if you are having problems

1. Go to <http://smoothwall.jhcobras.net/login>
2. Enter the same username and password as you use for your computer.
3. If you get the following screen, click on Advanced.

Your connection is not private

Attackers might be trying to steal your information from **smoothwall.jhcobras.net** (for example, passwords, messages, or credit cards). [Learn more](#)

NET::ERR_CERT_AUTHORITY_INVALID

Help improve Safe Browsing by sending some [system information and page content](#) to Google.
