

Creating a PowerSchool Parent Account

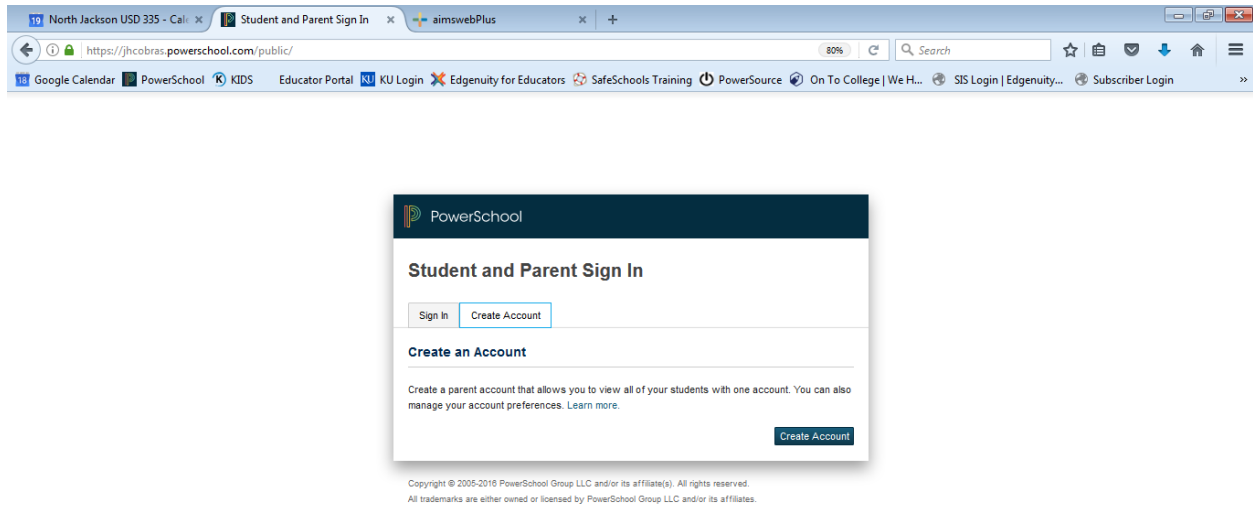

(If you already have Parent Access, skip to Updating BrightArrow Contact Information)

Step 1: www.jhcobras.net < Parents < PowerSchool Parent

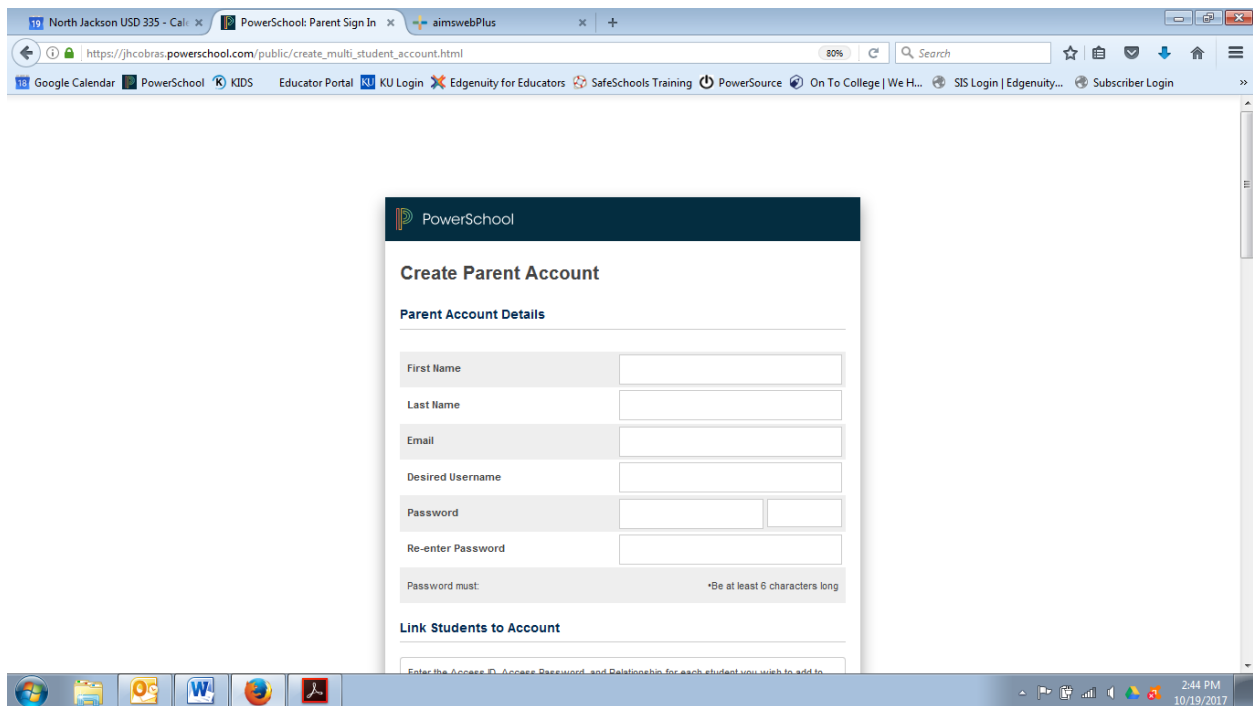

The screenshot shows a web browser window displaying the website www.jhcobras.net. The browser's address bar shows the URL. The website has a yellow header with the "COBRA CONNECTION" logo and navigation links: Home, Students, Parents, Faculty/Staff, JHHS & MS, JHES, District, Calendar, and Contact Us. A dropdown menu is open under the "Parents" link, listing the following options: PowerSchool Parent, 7-12 Bell Schedule, Forms and Documents, Accelerated Reader Home Connect, AR BookFind, School Lunch, Suicide Prevention, and School Perception Survey. The main content area features a "Live Streaming" section with a photo of cheerleaders and a "Blood Drive" section with a red blood drop logo. The Windows taskbar at the bottom shows the date and time as 2:43 PM on 10/19/2017.

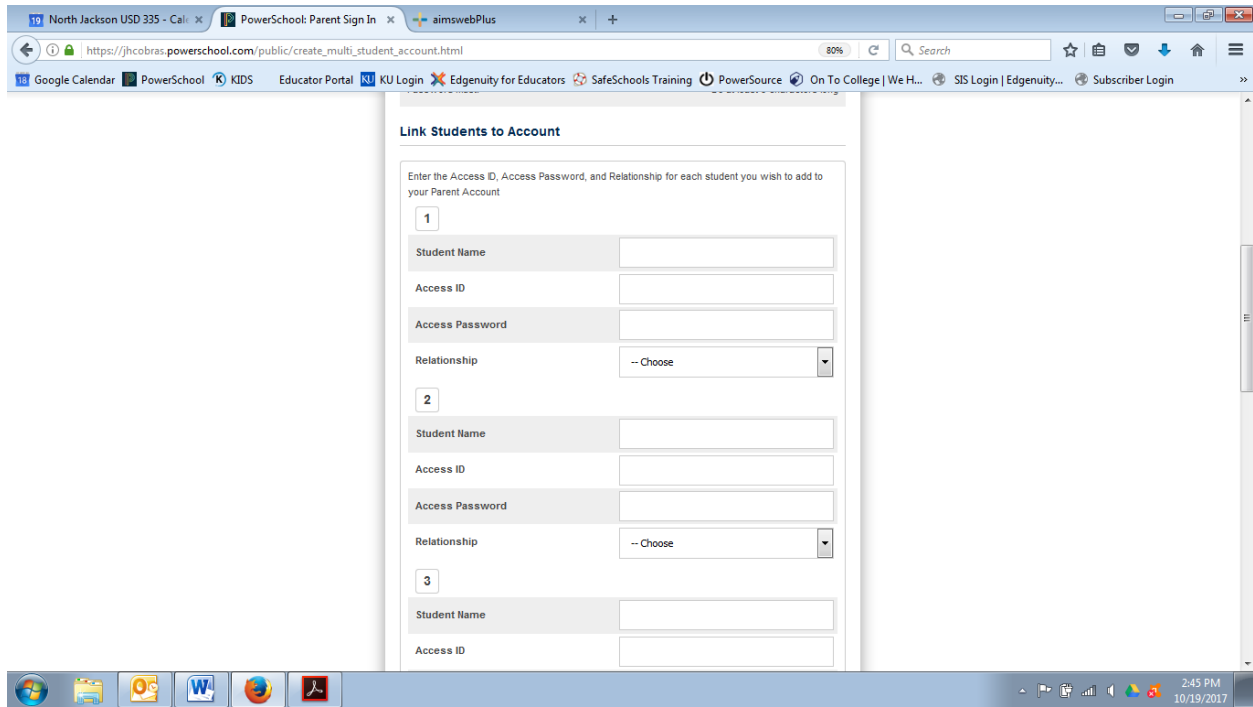

Step 2: Click “Create Account”

Step 3: Create a memorable username and password for yourself.

Step 4: Link any students to your account using their access codes found on the parent letter.

Step 5: Hit enter, and login to your account using the username and password you created. You may shred or otherwise destroy the access codes to your students. They will not be needed again once they have been linked to your account.
